

Alliance Partner

Critical to the success of Choose Civility, Alliance Partners include businesses, organizations, government agencies, and individuals that extend the initiative’s reach to build awareness and involvement. Alliance Partners actively promote and guide the initiative. They also incorporate Choose Civility into the culture and programs of their own organizations. No fee is required for participation.

Sponsors

Sponsors are vital to the initiative’s success and include business, organizations, and individuals that provide financial and / or in-kind support of value (\$1000). Contributions can be provided for general support of the initiative or for specific components. Sponsors may choose to participate in the steering committee of the organization. All sponsors are recognized at major events and in printed materials.

Committee Structure

- Partners & Sponsors
- Marketing & Events
- Education & Awards
